

Children in Need 2018

Children in Need was hosted by P5, P3 and P2/3 on Friday 16th November 2018. We had a dress down day and the boys and girls looked great in their Pudsey and Blush outfits! At our assembly we learnt all about the great things Children In Need do to help children. After break in P5 we played lots of games like wet face, guess the dots on Pudsey, design heads bands, blow races, connect four and quick draw! I was at the nail varnish station which was lots of fun and we had face painting too. We also had yummy cakes for sale which were delicious. Everyone donated lots of money and we raised **£702.17**. *(Written by Serenity P5)*

We hope you like these pictures of the event!
